Un Portal al servicio del sector cárnico

Centralizando la información de interés para el Productor

Una selección de datos del mercado junto a información individual de los productores. La posibilidad de disponer de una síntesis actualizada semanalmente sobre los principales indicadores: precios de hacienda, situación de la faena, evolución de las exportaciones y valores del novillo tipo. El acceso on line a la información individual de los productores de todas las tropas publicadas por el SEIC (Sistema Electrónico de Información de la Industria Cárnica).

La mejor forma de procesar y analizar la Información de Mercado

Una nueva forma de organizar y presentar la más completa y actualizada información del sector cárnico. Informes sobre stock, faena, mercado interno, exportaciones, precios y valores, presentados con diferentes opciones de visualización y alternativas de procesamiento.
